ABOUT ME

Dynamic IT Professional and System Developer with 6+ years of experience specializing in end-to-end technology solutions. Expert in system administration, network management, and IT consulting, with proven success in optimizing infrastructure, enhancing security, and delivering seamless technical support. Recently expanded expertise to include full-cycle software development, building custom web and application solutions. A strategic advisor adept at aligning technology with business goals to drive innovation, control costs, and improve operational efficiency. Combines a goal-oriented mindset with strong problem-solving skills to execute complex projects both independently and collaboratively.

WORK EXPERIENCE

IT CONSULTANT - PART TIME

Federal Pioneer Development Corporation / Sep 2025 - Present/ Mandaluyong City

- Strategic Planning:** Developed multi-year IT plans and budgets based on comprehensive infrastructure audits to guide technology modernization and investment.
- Project Leadership:** Led end-to-end implementation of key systems including email platform migrations (e.g., M365) and CRM deployments.
- Software Development:** Built custom website, application, and software solutions on a project basis to meet specific client requirements.
- Client Relations:** Served as a trusted technical advisor, managing vendor SLAs and providing tiered support to ensure issue resolution.
- Security & Compliance:** Designed robust cybersecurity frameworks with policies for MFA, encryption, and disaster recovery.
- Operational Support:** Provided ongoing retainer-based maintenance, helpdesk support, and user training to ensure system reliability and adoption.

SOFTWARE DEVELOPER - TEAM LEAD

Inspire Holdings Inc. / Inspire Alliance Fund Group/ Feb 2025 - Present/ Taguig City
